Winter 2014

2014 Daddy/Daughter Dance

This year's Daddy/Daughter Dance will be held at the Bremerton Elks Lodge on February 1, 2014 from 7:00 p.m. to 10:00 p.m. This event is a favorite of dads and daughters of any age and is sure to create memories that last a lifetime.

Refreshments will be provided and ticketholders will be automatically entered into our Daddy/Daughter raffle, which gives Dads and Daughters a chance to win fun prizes.

Tickets are available through the Bremerton Parks and Recreation Department and Silverdale Antiques.

February Arts Walk

This month the WSAC will be participating in "Salon des Refusés". French for "Exhibitions of Rejects", this event traditionally features works rejected from a juried art show. Organized by local business and kiln glass resource center, *Mistarian Roses*, this inaugural art showcase will be on display through February at several locations in Bremerton's downtown art district. Stop by the Bremerton Chamber of Commerce for our First Friday Art Walk reception on February 7th to view encaustic works by local artist Merle Jones. For more info check our website or visit our Facebook page for updates!

WSAC Board Field Trips

The WSAC Board recently went on two field trips, one to Claywerks and one to Mistarian Roses in downtown Bremerton. Board members painted ceramic plates at Claywerks and created fused glass jewelry pieces and small dishes at Mistarian Roses.

If you haven't had an opportunity to visit these great businesses, plan an outing with your family or friends soon. Each will provide fun for adults and kids of all ages.
